recommends an Expenditure of Rs 177 per month on account of Establishment from the funds of the Sri Vyasaraja Mutt for the properties of which in these Mysore State have been ordered to be assumed under Govt management. This comes up to Rs 2,148 per year and ~~expenses~~ about 500 Rs per year will have to be provided for in the Scale of the matts Expenses for the Travelling allowance of the Staff. The Amt that is recommended to be spent from the matt funds comes upto about Rs 2702 per annum. The income is Estimated at Rs 13,740 per year.

If this income may be a bit exaggerated and ~~the~~ it may be put down safely at Rs 13,000 per annum. As for Expenses the H.C. has not said anything about the Cost to be incurred for the Sri Raghavendra Stipend shame in the Matt. Allowing Rs 1000 per month which is not too high for an institution of the status and dignity of the Sri Vyasaraja matt, the income even as Estimated by the Mysore Govt fades a per saw

No. C 3859/25-6 Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 5th January 1926.

From

C. S. Balasundaram Iyer, Esq., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to Government Pro.No.731-32/M.S.78-25-4 -- dated 12th December 1925, directing that the properties belonging to Sri Vyasarayaswami Matha within the State be taken under Government management and calling for proposals for the establishment to be entertained for the purpose, I have the honor to state that the matha properties are scattered over the seven Districts except -- Kadur and the average annual income is estimated to be Rs.13740-0-0 as seen in the statement appended. To manage this estate satisfactorily and to recover the heavy arrears remaining uncollected since 1st August 1922 on which date the management was handed -- over to the Swamigalu, an official of much tact and energy is --- required. I have accordingly selected Mr. N. Venkata Rao, ----- Retired Superintendent of the General and Revenue Secretariat, who during his long employment in the Muzrai Secretariat since the days of Mr. Arcot Sreenivasa Charlu has been in intimate touch with the affairs of the matha. I am of opinion that having regard to the importance of the work, he may be paid Rs.100/- a month and allowed travelling allowance at the ----- following rates. A clerk on Rs.25 and a peon on Rs.12/- may also be sanctioned in addition to a clerk on Rs.30/- and a peon on Rs.12/- for work in this office as on the previous occasion. The total cost amounts to Rs.179/- a month. The establishment may be sanctioned temporarily for a period of one year to begin with and the Government Agent will within this period visit the several villages and will know the actual -

actual situation.

The entire records of the agency office are still with the family of the late Mr. M. Srinivasa Murti, the late Sarvadhikari and the agent to be appointed will have to take charge of them, after a regular examination. The records and the accounts have to be systematically arranged, with a view to have the latter audited by a competent auditor on payment of a suitable -------- remuneration. Action in this behalf will be taken separately.

I solicit the favour of early sanction to the establishment proposed above so ~~xxxxxx~~ that the agent may enter upon his duties without delay and begin the work in right earnest. At present, absolutely no work seems to have been done by the Matha authorities.

A copy of the Government Order has been sent to the Swamigalu and he has been requested to make the necessary arrangements for the management of the affairs of the matha properties situated - outside the State.

I have the honor to be,

Sir,

Your most obedient servant,

C.S. Balasundaramayya

Muzrai Commissioner.

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your letter No.881/M.F.78-25-6 dated --- 21st January 1926 regarding the management of the properties of the Sri Vyasarayaswami Matha within the State, I have the honor to submit as follows:-

(i) The statement of annual income is prepared on the basis of information obtained from the several Taluks in connection -- with the execution of an agreement by the Swamigalu (Vide Para 7 of Government Order No.5833-43/M.F.580-21-8 dated 20th April 1922)

(ii) There is no responsible person who could give even ------- approximate information on this point - The establishment working with the late Sarvadhikari seems to have been disbanded and the Swami himself does not know how matters stand. There were ---- absolutely no arrears outstanding when the management was restored to the Swamigalu on 1st August 1922. During the years, viz., --- 1922-23, 1923-24 and 1924-25, when the management was vested in -- the matha authorities no attempts seem to have been made to make the collections as they fall due. It is therefore quite likely that the arrears are very heavy.

(iii) Besides the expenditure on the proposed establishment, the cesses due to Government, Rotige to village officers, cost of --- worship etc., in the Branch Mathas have to be provided for from

the

the receipts of the Matha properties. As regards the sufficiency of the receipts to meet these charges, I beg to state that the establishment proposed in Mr. Balasundaram Iyer's letter is for only one year to begin with, its continuance after that period being considered later. If the affairs of the endowed properties have to be systematised, the matha ought to be able to maintain the proper establishment for1 year at least.

(iv.) I am not sanguine that the Amildars who are already burdened with heavy work will be able to devote the necessary attention to this additional work, especially in the present unsettled state of things. A separate agency to help the Amildar in determining the extent of arrears, in writing up the accounts up to-date and to watch the collection and to attend to other work of a miscellaneous nature, seems to be necessary for some time at least. The statements of receipts and expenditure will as on the previous occasion be consolidated in the Muzrai Commissioner's Office and verified from time to time with the Comptroller's books.

2. In view of the likely delay in the decision with regard to the entertainment of the special agency, I have requested the Deputy Commissioners to instruct the Amildars concerned to take charge of the matha property in their respective jurisdiction and to make vigourous attempts to collect the heavy arrears along with the current demand.

3. I solicit the favour of very early orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
